Action Items from June 4 & 18 Conference call

-
- Randy Turner will try to find other contacts that would be willing to work with the PWG to help deploy NEA health assessment. (Juniper, Symantec, Cisco are suggested candidates.) Is someone willing to sit down with the PWG and “have discussions”?

Still needs to pursue this further. No new information to report.

- Joe Murdock will add NAP protocol information to document and update the conformance section.
- Brian Smithson will investigate whether a formal relationship document can be created between TCG and PWG. He will find out their position on liaison agreements.
- Jerry Thrasher will add the topic of including IDS information in the MFD Semantic Model to the June Plenary meeting.

Action Items from June 4 & 16 Conference calls

- Mike Fenelon will coordinate the next opportunity for a discussion with the Microsoft NAP team.
- Jerry Thrasher will create yet another draft of the Attribute document to include corrections identified at the June 4 teleconference.
- Everyone will review the latest Attributes document draft prior to the next teleconference, and prepare comments for discussion.

IDS meeting adjourned.
