

IDS Conference Call Minutes

Jun 2, 2014

Meeting was called to order at approximately 11:00am PT Jun 2, 2014.

Attendees

Ira McDonald	High North
Joe Murdock	Sharp
Alan Sukert	Xerox
Rick Yardumian	Canon

Agenda Items

1. Reviewed the current Action Item status:

- #150 – Still in progress
- #151 – Still in progress

Joe plans to have another version of the IDS Model spec before the next Face-to-Face Meeting.

Ira reminded the group that although he doesn't have a formal action item he does have to update the TNC Binding Spec to address the comments from the May Face-to-Face Meeting.

2. Discussed the IDS HCD Attributes Candidate Standard update:

- There were no objections, so spec is now a candidate standard again.
- Discussed the fact that because there were minor revisions the revision # of the spec should have been updated but wasn't. We agreed to leave the revision # as is this time.

3. Confirmed after the meeting that the next IDS Conference Call will be Jun 30th.

- Next IDS Conference Call is Jun 30, 2014.
